

Bureau of Land Management - Grand Junction Field Office

North Fruita Desert Trails

Off-Highway Vehicles must be registered and have a U.S. Forest Service approved spark arrestor.

- All bike and OHV travel in the area shown on this map is restricted to the designated trails shown on this map. Cross country travel is prohibited.
- The construction of new routes is permitted **ONLY** with prior approval of the BLM. Proposed routes are not open until posted open by the BLM.
- Respect private property. Trespass is illegal.
- Fires are allowed only in a fire pan or in existing fire rings inside the Camping Area.
- Keep your bicycle or Off-Highway Vehicle (OHV) on the trail.
- Avoid riding during muddy conditions to minimize trail impacts.
- Use common **COURTESY** when passing or being passed.
- If there is a view you would like to see that is off the trail, leave your bicycle/OHV **BESIDE** the trail.

Off-trail riding not only damages soils and plant life, but it also leads to trail braiding and changes the nature of your trail system!

Tread Lightly! Enjoy and Protect Your Public Lands!
